

**“Реабилитологтар мен  
курортологтардың ассоциациясы”  
“Ассоциация реабилитологов  
и курортологов”**

**Dear colleagues!**

The Association of rehabilitologists and balneologists of Kazakhstan and National Center for Children's Rehabilitation of corporate fund "University Medical Center" invite You to participate in the VII scientific and practical conference with international participation "Priority directions of rehabilitation and balneology", which will be held on September 20-21, 2019, in Astana.

The main issues will be discussed and decisions will be made on the aspects of medical and social-pedagogical rehabilitation, balneology.

The Association of rehabilitation and balneology of Kazakhstan is functioning since 2015 year and is a full member of the world Federation of Hydrotherapy and Climatotherapy FEMTEC.

Experts and scientists-specialists of leading rehabilitation centers, sanatorium-resort institutions, manufacturers of medical and specialized equipment, pharmaceutical companies, representatives of health care and tourism will attend the conference from foreign and neighboring countries: Italy, Russia, USA, Germany, Slovenia, Kazakhstan, Lithuania, Korea and others.

**Sincerely,  
Sholpan Bulekbayeva  
Chairman of the Association  
of rehabilitologists and balneologists of Kazakhstan;  
Director of NCCR CF «UMC», MD, MBA.**
