

ASSOCIAZIONE MEDICA ITALIANA di IDROCLIMATOLOGIA TALASSOLOGIA e TERAPIA FISICA

Dal 1888 la Medicina termale in Italia

Ente scientifico no profit costituito nel 1888, per la formazione continua studio e ricerca in terapia termale, talassoterapia e bioclimatoterapia

To all FEMTEC Members ,

I wish to express my condolences on the death of Umberto Solimene , in my personal name and in the name of the AMIITTF , the Italian Scientific Medical Association of Thermal Medicine .

We have lost a great president, a gentleman and above all a friend.

A thought and a hug to his wife and family

Fausto Bonsignori
President
