

Condolence Letter

Dear FEMTEC board members,

I am shocked and deeply saddened to hear of the passing of Prof. Umberto Solimene, President of FEMTEC. Prof. Umberto Solimene is an accomplished, honorable and brilliant man. Under his leadership, major developments have been made in the field of hot springs. Prof. Umberto Solimene provided great support to me and to help establishing Asia-Pacific Institute for Hydrotherapy and Climatotherapy Tourism. He was my respected master of thermalism and true friend. His passing is a tremendous loss to the global hot springs industry. He will be always in my mind.

At this mournful moment, All my colleagues and I would like to express our condolences to Prof. Solimene and our sincere sympathies to his family.
