

Ourense (Spain), July 18th

Dear FEMTEC family,

From the Provincial Government of Ourense and the Inorde we want to convey our condolences to the family of Prof. Umberto Solimene and to the FEMTEC board of directors, that he himself led for so many years.

We recognize his important contribution for the recognition of balneology and thermalism at an international level.

Our deepest and warmest condolences at this sad time.

With Best Regards,

Emma González
General Manager INORDE
