Dear President Umberto Solimene,

How are you?

The First Hot Spring Industry Expo and the Fourth International Seminar on Hot Springs & Climate Health Tourism in China were successfully held at Sheenjoy Hot Spring Hotel, Beibei District, Chongqing, China from December 24 to 25.

The main events are: on-line and off-line expo, the seminar on hot springs and

climate, investment presentation of the key projects in Chongqing, etc..

We would like to thank Femtec and you for the great support for the Expo and the Seminar. Your greeting speech at the opening ceremony was wonderful and the video presentation from Dr. Claude-Eugène BOUVIER, the Secretary General of Conseil National des Etablissements Thermaux, was excellent and won high recognition from the participants and for sure will be instructional for the hot spring tourism development in the post-pandemic era. Thank you also for your hard work for inviting the international exhibitors. The success of this Expo & the Seminar is inseparable from the strong support from you and Femtec. Thank you one more time.

Wish you and your family: Happy New Year and Good Health!
